JUL 0 8 2020

REVENUE REGULATIONS NO. <u>19-2020</u>

SUBJECT: New BIR Form No. 1709, Replacing Form No. 1702H, Series of 1992

TO: All Internal Revenue Officers and Others Concerned

Section 1. Objective

Pursuant to Sections 244 and 6(H) of the National Internal Revenue Code of 1997 ("NIRC"), as amended, in relation to Section 50 thereof which was implemented by Revenue Regulations (RR) No. 2-2013,¹ this Revenue Regulations is issued to prescribe the use of the new BIR Form No. 1709 or Information Return on Related Party Transactions (Domestic and/or Foreign) (Annex "A"), replacing for this purpose BIR Form 1702H - Information Return on Transactions with Related Foreign Persons, series of 1992.

Section 2. Background

Through the years, transactions around the world have become more complex and have been subject to abuse by taxpayers with intent to evade taxes by concluding transactions between them at unreasonable prices, thus eroding the tax base. Undeniably, this usually happens between related parties. While majority of related party transactions (RPTs) are not detrimental, there is a pressing worldwide concern that they can be easily abused in the absence of a relevant framework and effective enforcement. Significant risks arise when RPTs are not conducted at arm's length and are used as a conduit to channel funds out of the company into another related party, such as the risk of material misstatement in the financial statements as a result of inappropriate accounting, and non-identification or non-disclosure.

Therefore, in order to ensure that proper disclosures of related party transactions are made and that these transactions have been conducted at arm's length so as to protect the tax base, there should be an effective implementation of Philippine Accounting Standards (PAS) 24, *Related Party Disclosures*, for tax purposes. Under this PAS, an entity's financial statements shall contain the disclosures necessary to draw attention to the possibility that its financial position and profit or loss may have been affected by the existence of related parties and by transactions and outstanding balances, including commitments, with such parties.

This Revenue Regulations requires, therefore, the submission of BIR Form No. 1709 and its supporting documents following the guidelines prescribed by the related revenue issuances for the submission of the required attachments to the Annual Income Tax Returns.

Tax examiners are hereby enjoined to conduct a thorough examination of the related party transactions and see to it that revenues are not understated and expenses are not overstated in the financial statements as a result of these transactions.

Section 3. Definition of Terms

The following definition of terms as used in this Regulations were adopted from the relevant PAS:

- 1) "Associate" is an entity over which the investor has significant influence.

 - (b) post-employment benefits such as pensions, other retirement benefits, post-employment life insurance and post-employment medical care;
 - (c) other long-term employee benefits, including long-service leave or sabbatical leave, jubilee or other long-service benefits, long-term disability benefits and, if they are not payable wholly within twelve months after the end of the period, profit-sharing, bonuses and deferred compensation;
 - (d) termination benefits; and
 - (e) share-based payment.
- 4) "**Control**" refers to the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities.

- 6) "Joint Venture" is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the arrangement.
- 7) "**Key management personnel**" are those persons having authority and responsibility for planning, directing and controlling the activities of the entity, directly or indirectly, including any director (whether executive or otherwise) of that entity.
- 8) "**Post-employment Benefit Plans**" are formal or informal arrangements under which an entity provides post-employment benefits for one or more employees, such as the following:

Page 2 of 6

- 9) "**Related Party**" is a person or entity that is related to the reporting entity, i.e., the entity that is preparing its financial statements.
- 10) "**Related Party Transaction**" refers to the transfer of resources, services or obligations between a reporting entity and a related party, regardless of whether a price is charged.
- 11) "Significant influence" is the power to participate in the financial and operating policy decisions of an entity, but is not control over those policies. It may be gained by share ownership, statute or agreement.
- 12) "Subsidiary" is an entity that is controlled by another entity.

13) "Venturer" is a party to a joint venture and has joint control over that joint venture.

Section 4. Related Parties and Related Party Transactions

In determining whether a person or entity is a related party, the following rules shall be considered:

- (a) A person or a close member of that person's family is related to a reporting entity if that person:
 - (i) has control or joint control of the reporting entity;
 - (ii) has significant influence over the reporting entity; or
 - (iii) is a member of the key management personnel of the reporting entity or of a parent of the reporting entity.

The list of family members in Section 3(2) hereof is not exhaustive and does not preclude other family members from being considered as close members of the family of a person.

Consequently, other family members, including parents or grandparents, could qualify as close members of the family depending on the assessment of specific facts and circumstances.

(b) An entity is related to a reporting entity if any of the following conditions applies:

- (i) The entity and the reporting entity are members of the same group (which means that each parent, subsidiary and fellow subsidiary is related to the others).

- (vii) A person identified in (a)(i) has significant influence over the entity or is a member of the key management personnel of the entity (or of a parent of the entity).
- (viii) The entity, or any member of a group of which it is a part, provides key management personnel services to the reporting entity or to the parent of the reporting entity.

In all cases, the substance of relationships between entities shall be taken into account and not merely the legal form.

On the other hand, related party transactions shall include, but not limited to, the following:

- (j) settlement of liabilities on behalf of the entity or by the entity on behalf of that related party.

Section 5. Related Party Disclosures

To attain the objective of the PAS to provide an understanding of the potential effect of the relationship on the financial statements, the following requirements shall be observed by the taxpayer, who may either be a reporting entity or a related party:
